

2 SIDED SPIRAL DISPLAY

PL-2SPIRALD-4CP

A great way to educate a doctor or patient on two parts of the body or the before and after effects of treatment. Spiral pad can be printed 4 Color process or spot color. Diecut tabs or square cut. We have an archive of hundreds of medical illustrations to choose from.

The Exclusive PremiumEdge™ Process 4 Color process printing directly on plastic with a super gloss finish. Beautiful printing combined with a custom diecut. Manufactured in America so your delivery is in 4 weeks or less from art approval.
